

## Venice Youth Boating Association, Inc.

(Hereinafter referred to as "VYBA")

### Venice High School Sailing Team

(Hereinafter referred to as VHS Sailing Team)

The fee schedule below is based on the following considerations:

1. Attendance at the required high school sailing regattas under the auspices of the South Atlantic Interscholastic Sailing Association (SAISA) is mandatory and their rules for their regattas.
2. Team membership and the mandatory regatta attendance requirement does not guarantee that every sailor will sail at a regatta as that depends on the rotation of sailors at the regatta as well as weather conditions which determine the number of races that may be conducted at those regattas.
3. The fee includes one VHS "uniform item" per sailor.
4. The fee excludes participation in the VYBA's School Year C420 Racing Team program or other VYBA-sponsored events for the C420 Racing Team Program.
5. VYBA does not add sailboat charter fees, per diem regatta fees, nor are any damage deposits required.
6. The team will practice one day per week after school and compete in a minimum of six (6) regattas through the school year, with approximately one half of them on the west coast of Florida and one half of them on the east coast of Florida.
7. Regatta attendance requires adult parents as chaperones at the regatta and during overnight hotel stays as may be required for certain regattas, particularly those on the east coast of Florida.

### Schedule of Fees

**\$200.00 per sailor** annually if the sailor also registers in our School Year C420 Racing Team Program.

**\$625.00 per sailor** annually, as a new option in 2017-2018, if the sailor is not registered in our School Year C420 Racing Team Program.

The fees are payable in full and due by check, cash, or credit card not later than August 31, 2017. Credit card charges will add 2.7% credit card processing fee.
