

Venice Youth Boating Association, Inc.

VENICE HIGH SCHOOL SAILING PROGRAM 2022-2023

**Tuition: \$225 per Club 420 Race Sailor
\$525 per non-Race Team Sailor**

REGISTER ONLINE AT www.veniceyouthboating.com

1. The High School Sailing Season is a full year program in Florida running from September until May (9 months).
2. Team membership and the mandatory regatta attendance requirement does not guarantee that every sailor will sail at a regatta as that depends on the rotation of sailors at the regatta as well as weather conditions which determine the number of races that may be conducted at those regattas. Sailors will be chosen by coaches for both JV and Varsity rotations. Up to six sailors can attend each regatta for both JV and Varsity.
3. The fee includes one VHS sailing jersey per sailor. Other VHS gear will be available for purchase.
4. The fee excludes participation in the VYBA's School Year C420 Racing Team program or other VYBA fleets. Those will require separate registrations and tuitions.
5. VYBA does not add sailboat charter fees, per diem regatta fees, coaching fees nor are any damage deposits required.
6. The team will practice one day per week and regattas are on Saturdays as designated by SAISA
7. VYBA will compete in in all SAISA SOUTH POINTS regattas with a coach
7. Regatta attendance requires adult parents as chaperones at the regatta and during overnight hotel stays as may be required for certain regattas, particularly those on the east coast of Florida.

Schedule of Fees

\$225.00 per sailor annually if the sailor also registers in our School Year C420 Racing Team Program.

\$525.00 per sailor annually, if the sailor is not registered in our School Year C420 Racing Team Program.

Online Registration pay by credit card – Due by September 1st. Choose “invoice me” to pay by cash or check. Fees do not include costs of travel to / from scheduled regattas.
